Hi Cairo,

I just wanted to let you know that I talked to a property owner (Nancy Heyman) at Western & 8th today, who was very happy that you were helping her with her DWP leaking meter and street issues.

As for the trash cans that you are working on... Do you think it would be possible if while you are at it to request a new can for the southwest corner Wilshire and Normandie, near Carl's Jr? There used to be one there, but it has been gone for a long time and that corner gets very busy and messy. Please let me know.

Have a great weekend.

Thank you,
Mike Russell
